SUMMER CAMPS 2016

June 6, 2016

Dear Teslin Parents and Guardians,

Many fun and adventurous activities are being planned for Teslin youth this summer!

Please take the time to read about each event on the following pages and sign with your permission on the events your child would like to take part in.

If you have any questions regarding any event, please contact Nadine at 332.4713. We are looking forward to a fun summer; I hope you can join us too!

Please indicate with a ✓ which camps and activities your child will be attending.

Please return this form back to Nadine Peters, along with the individual permission slip that corresponds to the event.

On days when we are not having special events, we would like to encourage parents and their kids to join us at the community garden for our summer gardening club. We will be there daily whenever special programming is not happening.

Finally, we are looking for volunteers! Parents and guardians (especially of boys) to assist with the recreation programming, especially the swimming trips that we have planned!
